

IN THE DRAWINGS:

A replacement sheet, showing the updated FIG. 3 indicating the appropriate SEQ ID NOs, is submitted herewith in APPENDIX A. This sheet, which includes FIG. 3, replaces the original sheet including FIG. 3.

It is respectfully submitted that the revision of FIG. 3 does not introduce new matter into the above-referenced application.

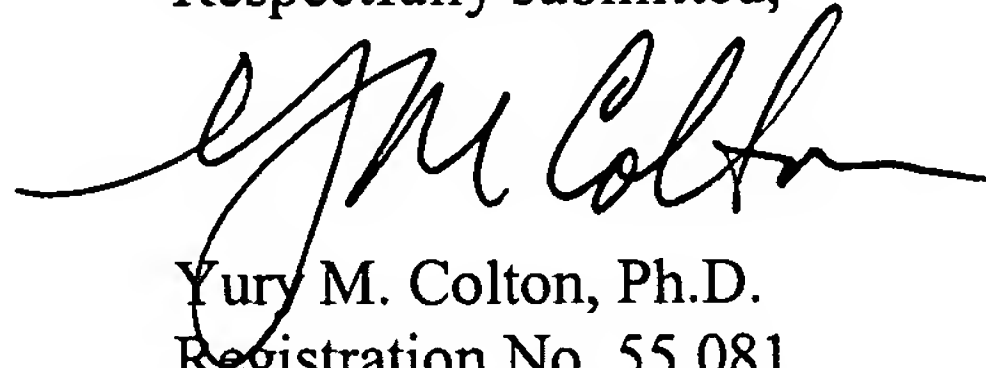

REMARKS

The application is to be amended as previously set forth. Amendments were made in an effort to more closely conform to U.S. practice. All amendments are made without prejudice or disclaimer. Generally, the amendments remove multiple dependencies from the claims and do not surrender any scope of any claim as originally filed.

It is respectfully submitted that the specification supports the SEQUENCE LISTING included herein.

If questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' representative at the address or telephone number given herein.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Yuri M. Colton', is written over the typed name.
